DIRECTOR'S DESK

In current scenario, an Academic institution is expected to be more broad based. We are dedicated in our efforts to go for various accreditations. In addition to this, we are putting consistent efforts to develop our infrastructure to provide state of art Laboratories, Exclusive Blocks for some departments & Additional Hostel Buildings for comfortable stay. Despite its rural location, students are given wide exposure to all kinds of positive experiences. These activities provide good training ground to acquire valuable life skills. I am confident that Engineering graduates from aditya will excel in their personal and professional lives becoming an asset to society.

Dr. S Ramalinga Reddy

PRINCIPAL'S DESK

This year is very special to me as we have revived and mobilized many activities that had been suspended due to pandemic. We are implementing the best practices and consistently reviewing them to ensure that we are following the most updated practices, meeting all regulations and addressing the future needs of students. We aim to empower our students in such a manner that they adapt well to the changing needs of the industry in general and society in particular. We have a team of fabulous faculty members who display intense commitment which keeps the ethos of our college positive. Hence, I feel privileged to be a part of this dynamic team.

Dr. K Sathish Babu

In Conversation

Ms. M Hemalatha, Alumnus, Aditya College of Engineering has got incredible success in APPSC Group 1 services having got selected for the post of District Superintendent of Police. Here are a few excerpts from the interview with her.

Q: FIRST OF ALL, CONGRATULATIONS ON YOUR ACHIEVEMENT. HOW ARE YOU PROCESSING YOUR ACHIEVEMENT?

I'm feeling very happy on my selection in group 1 services as Deputy Superintendent of police and I am blessed to get this service as it may provide great opportunity as an officer to do justice especially to women.

Q: HOW DID YOU GO ABOUT YOUR PREPARATION? WHICH BOOKS DID YOU REFER?

After completing my B. Tech, I started my preparation in Hyderabad for civil services. There, I have joined in Analog IAS institute. I used to follow "The Hindu" News paper everyday particularly editorials which are relevant to syllabus of examination and it is also important to follow local newspaper in order to know what is happening in our own state.

I followed NCERT from 6th to 12th (History, geography, General science, democratic politics and economy), Lakshmikanth 5th edition for Indian Polity, Mrunal Patels Indian Economy , Modern India By spectrum, Art and culture By Nithin Singhania, Satish chandra's medieval history, world history by arjun dev, Ancient History by R.S sharma, Environment by shankar IAS academy and current affairs from vision IAS, Civils daily and Insights IAS and I used to practice daily answer writing through mains practice questions from Insights IAS.

Q: HOW MANY HOURS DID YOU DEDICATE FOR YOUR STUDY?

I used to study atleast for 6 hours a day and it may go up to 8 to 10 hours some times but consistency is very important

Q: DID YOU HAVE SPECIFIC SHORT TERM GOALS WHILE PREPARING?

I used to plan short term goals so as to complete a book within the stipulated time.

Q: DURING SOME MOMENTS OF FRUSTRATION, HOW DID YOU MOTIVATE YOURSELF?

Preparation period was the most challenging time in my life. There were lots of discouragements and demotivation from people around me, but I used to overcome them through physical activity and meditation and i used to watch success stories of other UPSC toppers.

Q: WHAT IS YOUR ADVICE TO FUTURE ASPIRANTS?

My Advice to future Aspirants is to start early in order to achieve success in this civil services and need to dedicate their whole time without any diversions from outer world. If one has decided to pursue career as a civil servant, they need to dedicate most of the time for preparation with utmost consistency and concentration. They have to prepare themselves to face failures as there is a saying that "Failures are the stepping stones for Success " This will help us more, no matter even if the entire world disbelieves you, you need to believe in yourselves and one day your hard work will pay off.

SYSTEMS ENGINEER
INFOSYS LIMITED

College is a Dream land of every Student's Educational journey. I can never forget my first day of college life. I entered the college premises with new hopes and aspirations and as the time passed , I had the best time in college by spending time with friends , participating in various events and winning them , doing assignments and submitting them in time.

At first , I had a huge stage fear but motivated myself by participating in many events. The proudest moment of my college life was when I got selected for District Level , State Level , National Level essay writing competition on behalf of my college.

I still remember the first day of college, I felt I was Alice in Wonderland; so much to see, so much to explore, full of fears, and unsure of the future. My first semester was so amazing when I scored the highest percentage and was awarded a trophy for being the class topper. Then on, I anchored several splendid events showing up as a leader. I must show my gratitude to my professors and the college management to be so supportive and encouraging.

S.Jahnavi
B.Tech (CSE 2018- 2022)
Full Stack Developer Trainee,
TapAcademy

Department of Electronics & Communication Engineering

Departmental Activities and Achievements

- Organized one day " **National Level Poster Presentation (APEX-2k22)** " on 5 Mar. 2022 in which Dr. B Anuradha, Professor, SVU College of Engineering was the chief guest.
- Organized a three day hands-on work shop on " **Applications of Embedded Systems**" from 21-23 Apr. 2022.
- Organized a Webinar on " **5G Massive MIMO and Beam Forming** " by Mr. N. Pradeep, Senior Research Engineer, Center for Development of Telematics, Bangalore as part of **World Telecommunication Day** on 17 May 2022.
- Organized a Webinar on the topic " **E-Encephalogram Analysis and Brain Computer Interface Concepts**" by Dr. M. Rama Subba Reddy, Prof., IIT Madras on 24 June 2022.
- Organized FDP on " **Emerging Trends in VLSI and Practical Approach**" from 1-6 Aug. 2022
- Organized Project Expo. & PPT Presentation as part of " **PRAGYOTSAV-2K22**" on 3 June 2022 and 4 June 2022.

Faculty Achievements

- K.V. Vara Prasad was awarded Ph.D Degree on " **Adaptive Cooperation Spectrum Sensing based on Machine Learning Techniques for Primary User Detection in Cognitive Radio Network**" from GITAM, Deemed to be University, Hyderabad under the guidance of Dr. P. Trinatha Rao on 31 Dec 2021.
- G.R. Reddy Hemantha was awarded Ph.D Degree on " **High Performance RNS FIR Filter Design for DSP Applications**" from JNTUA, Anantapuramu under the guidance of Dr.S Varadharajan on 28 Dec 2021.
- Dr. K. Sai Venu Prathap, patented his work on " **Machine learning and IOT Based Approach Monitoring and Protection of Air**".

Student Achievements

- Latheef and Team (IV CSE) Participated in a video making competition on the topic "Environment, Sanitization and Hygiene" organized by AICTE (Lilavathi Award) to promote Green Environment.
- P Almas and S Hera Kousar, III B.Tech, secured third position in Paper Presentation on "IoT on Air Craft Technology", JNTUA, Kalikiri on 3 Jun 2022.

Department of Artificial Intelligence & Data Science

- Organized FDP on "Basic Teaching Skills and Innovative Methods of Teaching" on 18 Aug 2022. The resource person was Dr. R Mohammad Shafi, Associate Prof., Dept. of AI&DS, Aditya College of Engineering.
- He discussed the New Paradigm in Education and gave a detailed analysis of Bloom's Taxonomy. The seminar was attended by 40 faculty members.

Department of Computer Science & Engineering

Departmental Activities and Achievements

- Organized one day national level symposium " **ANOKHA-2k22**" on 15 Jun 2022 comprising events namely Paper Presentation, Poster Presentation, Short Film and Project Expo. The chief guest of the event was Dr. A P Siva Kumar, Associate Prof., JNTUA. He spoke about how technology has brought many changes in our lives. He also gave insights into the growing trends in the current scenario.
- Organized a 6-day online FDP on "**Artificial Intelligence and Data Science**" from 11-16 Jul 2022. The resource persons were from various premier institutions like IITs, & NITs. Total number of participants was 160.
- Participated in "**Internal Hackathon for Smart India Hackathon**" by III Year CSE students on 14 March 2022.

Students' Achievements

- P Shymu IV CSE secured first prize in Paper Presentation contest on the topic " Getting Nard Out-Can Raise Value" organized by MITS, Madanapalle in 2021.
- S Jahanavi and Team (IV CSE) Participated in a Video Making Competition on the topic "Women Entrepreneurship" organized by AICTE (Lilavathi Award) to acknowledge Women Empowerment.

Department of Electrical & Electronic Engineering

Departmental Activities and Achievements

- A Two Day Workshop on "Substation Automation" was organized on 20 and 21 May 2022. The contents of the workshop were as follows:
 DAY1 : Maintenance of an electrical substation ,
 Equipment Associated to Substation Protection,
 Protection of Power Transformer,
 Automation of Substation, SCADA.
 DAY2: Automated Substation,
 Plant Visit at T Gollahalli, Kolar Dist., Karnataka
- The Resource person of the 2 day workshop was Mr. P Hemanth Kumar, Assistant Engineer (Electrical), KPTCL.
- He explained the various aspects of substation automation which is a collection of hardware and software components that are used to monitor and control an electrical system, both locally and remotely.

Departmental Activities and Achievements

- Organized Webinar on " Career Options after Engineering & Build Your Dream Startup" by Mr. SMM. Trinath ,GATE/ESE Trainer, ACE Engineering Academy, Hyderabad on 13 Apr 2022. They explained about the preparation strategies, eligibility criteria, exam pattern and nature of jobs for various branches in PUS's
- Organized Expert Talk on "Business Models & Business Model Canvas" by Dr.VVN Bhaskar,HOD of M.E, Aditya College of Engineering on 9 Apr 2022.

EXPERT TALK-BUSINESS MODEL

WITH ME STAFF

Department of BS&H

Departmental Activities and Achievements

- Organized a one day Induction Program for I B.Tech students to orient them about the overview of Engineering Education in Nov 2021.
- Organized 7 day Orientation Program for I B.Tech students. The following activities were conducted: Visit to various Departments, literary activities, Showcase of creative talents of students, Session on "Human Values", Session on "Aptitude & Basic Coding", Visit to Historical Place.
- Organized one day Webinar on the topic, " Science of Success" by Prof. V Srinivasa Chakravarthy, Post Doc, Ph.D., Dept. of EEE, IIT Madras.
- Organized "Debutant Day celebrations" in Jan. 2022.

ORIENTATION PROGRAM 2021

WITH H & S STAFF

Faculty Achievements

- C Siva Ramireddy was awarded Ph.D. Degree in Mathematics on "Numerical analysis of natural convective heat transfer in an enclosure filled with micropolar fluid" from JNTUA, Anantapuramu under the guidance of Dr. K Jayalakshmi and Dr. V Ramachandra Prasad in June 2021.

Students Achievements

- M. D Raees and Thabassum Sultana from I B.Tech secured I prize in a Paper Presentation contest on the topic, " Applications of Super Conductors" organized by Sri Sai Institute of Technology and Science, Rayachoti in one day National Level Technical Symposium " SAI SANKETTIKA-2022" on 26 Feb 2022.
- Deeraj and Thabassum Sultana from I B.Tech secured I prize in a Paper Presentation Contest on the topic, " Differential Equations" organized by Sri Sai Institute of Technology and Science, Rayachoti in one day National Level Technical Symposium " SAI SANKETTIKA-2022" on 26 Feb 2022.
- D S Usha and P Prudvi Narayana from I B.Tech secured I prize in a Paper Presentation contest on the topic, " Role of Communication Skills & Softskills" organized by Sri Sai Institute of Technology and Science, Rayachoti in one day National Level Technical Symposium " SAI SANKETTIKA-2022" on 26 Feb 2022.

SAI-SANKETTIKA-2022

SAI-SANKETTIKA-2022

Department of Civil Engineering

Departmental Activities

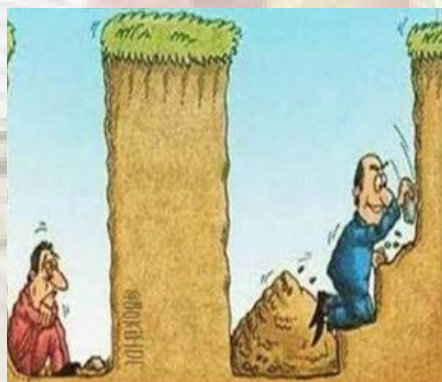

Conducted a Survey camp for the final year students for the following operations:

- Restoration of canal embankment.
- Cross sectional levelling for extension of an existing road
- Fixing of permanent benchmark from known elevation of earth dam to the different points in Aditya college of engineering, Valasapalle.

Students' Achievements

- G. Reddy Prasad, S.Shajeed Murad & P.Kesava, IInd Year Civil Engineering, secured 1st place in Short Film Competition in National Mega Expo 2022, organized by skilled development and incubation center JNTUA on the occasion of "National Science Day", 28th FEB-2022.
- S. Shajeed Murad won first prize in Paper Presentation contest in CITA '22, A One day national level students technical symposium on 30th May 2022 held at Madanapalle Institute of Technology and Science, Madanapalle.
- G. Reddy Prasad won second prize in Poster Presentation in CITA '22, A One day national level student's technical symposium on 30th May 2022 held at Madanapalle Institute of Technology and Science, Madanapalle.

Food for Thought..

This is about the two choices life gives every person; either you sit, sulk and dwell on how unfair life is to you, or you could try and figure out how to make the bad situation work in your favor.

“

If you want something said, ask a man; if you want something done, ask a woman.

Margaret Thatcher

Women Empowerment Cell

- Organized a National Level Video Making Competition "YUVANITHA-2K21" on 18 Dec. 2021 . Around 90 batches registered for different themes like Women Entrepreneurship, Legal Awareness and Self Defense etc. The event was inaugurated by honorable Sub Collector of MPL Division Ms. Jahnvi, IAS.
- Organized Women's Day Celebrations on 8 Mar 2022. The activities conducted were Debate and Poster Presentation. This was followed by felicitation ceremony of a woman achiever in the year 2022, Dr. Reddy Hemantha from ECE Department, who was awarded Doctorate Degree from JNTUA, Ananthapuramu.

POSTER PRESENTATION

Aditya Alumni Association (AAA)

ACE Reminiscence 2K22

Aditya Alumni Association organized an Alumni meet "ACE REMINISCENCE 2K22" on Saturday, 9th July 2022 on the college premises. This meeting was graced by Secretary and correspondent Sri. R. Ramamohan Reddy, President Sri. M. Nagamalla Reddy, Director Dr. S. Ramalinga Reddy, Principal Dr. K. Sathish Babu, various Heads of the Departments, President of AAA & all faculty members.

More than 300 alumni attended the event. After a lavish lunch hosted by the college management, there was an assembly in the auditorium where the alumni reminisced memorable moments spent in the College. After refreshments, a photo session was organized.

At Home Function 2K22

Aditya Alumni Association organized an AT HOME FUNCTION 2022 on Saturday, 18th June 2022 in Aditya College of Engineering, Madanapalle. This function was convened by the Secretary and correspondent Sri. R. Ramamohan Reddy, Director Dr. S. Ramalinga Reddy, Principal Dr.K.Sathish Babu, various Heads of the Departments, President of AAA & all faculty members.

In this function, AAA President, Mr. D Madhu Sai Eswar gave a welcome speech followed by the Director's & Principal's address. Various Heads gave some valuable gems of advice to the outgoing students. This was followed by speeches by some students in which they shared some highlights of their four year journey in the college campus.

Training & Placement

Placement Cell infrastructure

Training and Placement Cell has a separate block with two GD rooms, two interview rooms, a spacious seminar hall for pre-placement talk and guest rooms for the visiting HR. The placement cell manages its activities collectively by the Chief Placement Officer, Departmental Placement coordinators and Heads of Departments.

Features of Placement Cell:

- In house aptitude trainers are deputed to familiarize the students in II year.
- Special Aptitude Experts give 60 hours of training in Aptitude which includes Arithmetic and Reasoning (Verbal & Non-Verbal) to the III B.Tech students.
- Attitude Building along with other communication skills is incorporated from I year as part of English Communication skills Lab.
- Specialized soft skills' trainers are invited from time to time to equip the students with these essential skills.
- The placement cell provides a platform for National Recruitment entrances like AMCAT, TCS ninja, INFY net and facilitates these for the students by giving company specific training.
- The placement team maintains a good rapport with the HRs of various companies to enable placement activities.
- Most of the students are placed in top MNCs like TCS, CTS, Infosys, Wipro, Capgemini, etc.
- Many students are employed in the Government sector.

Training Activities for 2021-2022

- Organized 6 day Training Program on Soft Skills for IV year students of all the branches in association with "APITA and MPC NAANDI FOUNDATION-2021"
- Organized 3 day "Aptitude Training Program" for III CSE & ECE in association with APITA in Dec-2021
- "Microsoft Upskilling Program" is going on virtually on different courses-2022.
- Organized 30 hrs Intensive raining Program on "Aptitude/Reasoning/Verbal/Soft Skills" powered by Genesis for III year students in May-2022
- Apart from these we regularly conduct communication skills program through our inhouse English Professors and Trainers.
- Training on "Sales Force" in the month of May,2022

SOFTSKILL TRAINING

GROUP DISCUSSION

APTITUDE TRAINING

MICROSOFT UPSKILLING PROGRAM

Placement Activities

- On Campus Drive conducted for 4th B.TECH EEE,ECE,ME by SYNTEX BAPL PVT.LTD-2022
- On campus Drive conducted for 4th B.TECH students by Auropro Soft Pvt. Limited-2022
- On campus drive conducted for all 4th B.TECH students by TAP ACADEMY in association with APITA-2022

National Service Scheme

The following activities have been conducted :

- "SWACHH BHARATH PROGRAM" was conducted in Oct.21 where the whole campus was cleaned by the volunteers.
- Poster Presentation and Seminars were organized on the "Importance of Education" as part of National Education Day conducted in Nov. 21.
- Constitution Day was celebrated in nov.21 where the "Significance of Indian Constitution" was highlighted by a seminar given by the Director to the students.
- "Sapling Plantation program" was conducted where faculty and students planted different saplings as part of "World Environment Day" in Dec. 21.
- "Blood Donation Camp" was organized in association with Lion's Club in Mar.22 where about 75 units of blood was donated.
- Organized "Azadi ka Amrit Mahotsav" where a rally was organised at the adopted village Bandakindapalli where NSS volunteers explained the importance of 75 years of independence to the villagers.

CLEAN AND GREEN

SAPLING PLANTATION

AZADI KA AMRIT MAHOTSAV

IETE (Student Chapter)

The main objective of IETE Student chapter is to plan, organize Technical Programs, Special Lectures, Workshops, Seminars Symposia, exhibitions for the benefit of students.

It provides a platform for students to exchange ideas on technical topics like higher educational opportunities, emerging trends, etc. It also facilitates technical visits, and project works. IETE Student Forum will be a catalyst for the overall growth in technical and professional skills in young students.

Board of Community Development through Education (BCDE)

Organized 55th "National Engineers Day" in association with NSS and IIC on the occasion of 162th Birth Anniversary of Sir. M Visweswaraya on 15 Sep 2022.

Toppers (2018-22) (%)

1. K Sai Sanhitha (ECE)-86.71
2. S Jahnvi (CSE)-85.8
3. M Tameem Hussain (ME)-79.52
4. E Sai Sree (EEE)-88.6
5. M Shahistha Khanum (CE)-92

ISTE (Student Chapter)

The main objective of ISTE student chapter is to conduct various activities like Expert Lectures from the industry, R&D organizations etc.

Visits to industry, worksites & training on Basic Management Skills form the core area of work. The aim of this program is to inculcate the spirit of multidimensional excellence in the students and strive to mould them to great heights.

EDITORIAL.....

After the hibernation of 2 years due to pandemic, we are out with our next issue of "VOICE OF ADITYA". The making of this issue has been rejuvenating and has empowered with a fresh leash of energy. This issue provides a panoramic view of Academics, Cultural, Sports, Literacy Activities and Achievements of our college. We would like to proudly acknowledge and thank our esteemed contributors in our "ACHIEVER SPEAKS" section, Ms. Hemalatha, who has been an alumnus of our college and has made us proud by cracking the Group-I services held in the year 2018. She has joined as District Superintendent of Police in AP. We wish her all the best in her future endeavors in her service towards the society. We also express our deep appreciation to our beloved students Ms. Jahanavi and Ms. Shyma for impressions. We extend our gratitude to the entire news letter team for their cooperation. Finally, let us all Adityans join together to dedicate this to our passed out students for getting placed in reputed companies. HAPPY READING!!!!

EDITORS: *Dr. P. Saleema, Assoc. Prof. of English*
