Description of the Program	<p>A placement drive by M/s TAP Academy was conducted at Aditya College of Engineering, Madanapalle, Andhra Pradesh. It is a well-structured initiative aimed at preparing students for successful careers. With its comprehensive approach, strong industry connections, and practical experience opportunities, it significantly contributes to student employability. By addressing the areas for improvement and implementing the recommendations, the program can enhance its effectiveness and better serve to its students. The Secretary &amp; Correspondent of ACEM, Mr.R.Rama Mohana Reddy, and President of the institute Mr.M.Nagamalla Reddy, Director Dr.S.Ramalinga Reddy and Principal Dr.K.Satish Babu of the College addressed the students and encouraged them to participate in the campus drive. The job description is Internship Trainee with qualification of B.Tech degree and skills required are good communication and Aptitude. The drive included 3 rounds i.e. Screening test on Aptitude, Communication round and Technical &amp; HR Round. In first round 353 members were taken the written test. Among which 47 members were selected for second round, 20 members are selected for third round and finally 18 members were selected for trainee internship. The Director sir appreciated and congratulated the selected students.</p>
