Description of the Program	<p>The Nationwide Idea Competition- Ideathon; Solutions for the stated Problems was conducted to select the best ideas and solutions for the problems faced in real life.</p> <p>The program was conducted on November 16, 2024; 1.50 p.m. to 3.50p.m. in Seminar hall :405, Aditya College of Engineering, Madanapalle, Andhra Pradesh. The I year & IV year student participated in the event.</p> <p>Dr.K. Sathish Babu, Principal-ACEM addressed the importance of Ideathon, – it is a collegewide idea solution competition for the stated problems.</p> <p>Dr.P.Gangadhara Reddy, R&D Convener explained about the Ideathon Execution and Organizing process. We received 17 problems out of which 8 problems were selected by highly qualified and distinguished Faculty members of our institution.</p> <p>Dr.M.Roshini, HoD -CSE(AI) & Dr.K.Sai Venu Pratap, Associate Professor & IIC Convener were members of Jury of this event. They motivated the students to participate in the competition.</p> <p>Our Director & Principal appreciated all the participants who have come up with new ideas. They encouraged the students stating failure is the stepping stone for the success and advised the participants to not get disheartened for not getting prizes and motivated them to participate with more enthusiasm with new ideas in upcoming competitions.</p>

Principal appreciated the organizers, presented the mementos and certificates to the winners and runners .
