Description of the Program	<p>The Research & Development Cell of Aditya College of Engineering, Madanapalle (UGC–Autonomous Institution) organized a corporate grooming session titled "<i>College to Career</i>" on 25th August 2025 from 11:00 AM to 1:00 PM. The venue for the program was the Computer Labs 201, 206, 301, and 306. The session was designed exclusively for IV B.Tech students to prepare them for their transition from campus to corporate careers.</p> <p>The program was organized in collaboration with Tech Vedha Technologies and DSK Softwares. The resource team included trainers Mr. Sunil, Mr. Kishore, Mr. Dinesh, Mr. Surya, and Mr. Rajeev from Tech Vedha Technologies. Representatives from both organizations guided the students on navigating the challenges posed by Artificial Intelligence (AI) and discussed emerging industry trends relevant to engineering graduates.</p> <p>The trainers emphasized the importance of professional grooming, adaptability, teamwork, and communication skills, which are essential to succeed in today's competitive corporate world. They also launched a special initiative on "<i>Campus to Corporate</i>", aiming to help students cope with the cultural and professional shift required in corporate life.</p> <p>The event was graced by:</p>

Subject: Request for Approval to Organize Training Programme "Campus to Corporate – Orientation Program"

Respected Sir,

With due respect, I submit for your kind approval the proposal to organize a training programme titled "Campus to Corporate – Orientation Program" in collaboration with **Tech Vedha Technologies** and **DSK Softwares** for IV B.Tech Students.

The session is scheduled to be conducted on **25th August 2025 (Monday) from 11:00 AM to 1:00 PM** in the **Computer Labs:201,206,301,306**. The focus of this programme will be on equipping students with practical exposure to **Power BI** and guiding them on industry readiness, thereby bridging the gap between academic knowledge and corporate expectations.

This initiative will help students:

- Gain orientation towards corporate culture and expectations.
- Learn hands-on usage of **Power BI** for data analytics and visualization.
- Enhance employability and confidence for campus placements.

I kindly request your approval to organize this programme in the Computer Labs on the above-mentioned date and time, in association with our industry partners.

We are confident that this initiative will prove highly beneficial to our students' professional growth.

Thanking you in anticipation of your kind approval.

Yours faithfully,

Dr P Gangadhara Reddy
