Hi Sir,

Greetings from Dhruva Softech!

We are pleased to introduce ourselves as the first multiskill and polyglot company, specializing in industry-ready, job-oriented training programs, software development, and IT outsourcing across all cloud technologies. Our mission is to bridge the gap between academic learning and industry requirements by equipping students with practical, real-world skills.

We would be delighted to collaborate with your esteemed department to conduct Career Orientation Programs and Industry-Ready Workshops for your students. These sessions will:

- \* Provide insights into the latest industry trends and career paths.
- \* Offer hands-on exposure to technologies like Java, Python, AWS, DevOps, and Cloud Computing.
- \* Prepare students with multiskill expertise to make them job-ready.

We are confident that these initiatives will enhance student employability and support their career growth.
