Description of the Program	<p>The Aditya Electricity Club (AELC) conducted a Technical Quiz Competition on 28th August 2025 for B.Tech EEE students. The objective of the event was to enhance the technical awareness and subject knowledge of students through competitive engagement. A total of 5 teams comprising 25 students actively participated in the event.</p> <p>Objective of the Quiz: To provide a platform for students to apply theoretical knowledge, improve teamwork, and encourage competitive learning in a fun and interactive environment.</p> <p>Key Highlights:</p> <ol style="list-style-type: none">1. Participation from II, III & IV Year students showcasing cross-year collaboration.2. Three exciting rounds: Objective MCQs, Visual Identification, and Rapid Fire.3. The event was coordinated and executed smoothly by student volunteers under faculty guidance.4. Quiz helped identify talented students for future intercollegiate competitions. <p>Interactive Segment: The quiz included spontaneous discussion opportunities where faculty posed bonus questions to the audience, encouraging broader participation.</p> <p>Conclusion: The Technical Quiz Competition successfully met its objective of promoting technical excellence and team spirit among students. It also served as a model for experiential learning through academic contests. Feedback from participants was highly positive, and AELC plans to organize similar activities in the future.</p> <p>Acknowledgment: The organizing committee extends sincere thanks to all participants, volunteers, and faculty for their active involvement. Special thanks to Mr. M. Lokesh for his mentorship and to the student coordinators Mr. C. Nayan Teja, Ms. S. Keshawarthini, and Mr. C. Revanth for their commendable efforts in organizing the event.</p>
