CAREER BLUEPRINT: NAVIGATING SKILLS, EXPERIENCE & OPPORTUNITIES

VENUE : AUDITORIUM
DATE : 02.09.2025
TIME : 1:50 - 3:50 PM

By
Ms. Jahnvi S
Assistant Professor &
Freelance Product Strategist,
Department of AI & DS.

About the Speaker

The session was delivered by **Ms. Jahnavi Somaraju**, *Assistant Professor, Department of Artificial Intelligence & Data Science (AI & DS)* and a *Freelance Product Strategist*.

Highlights of the speaker's profile:

- **Valedictorian** of both her Bachelor's and Master's degrees from JNTUA.
- Holder of **200+ certifications** across diverse domains, including **Harvard CS50, Infosys AI certifications**, and certifications from **IBM, HCL, and other global platforms**.
- Recognized for her expertise in bridging academia with industry readiness and guiding students toward global opportunities.

Objectives of the Workshop

- To help students set **clear, achievable goals** for their career journey.
- To highlight the importance of **certifications from top world universities, tech giants, and reputed institutions**.
- To encourage students to strengthen their **project work** as an industry-ready portfolio.
- To provide a platform for **interactive engagement** on careers, skills, and opportunities.

Session Highlights

- Strategies for **goal-setting and career roadmap design**.
- The global value of **certifications from world-leading universities and tech giants**.
- Importance of **hands-on project development** for industry preparedness.
- Live interaction with students, addressing queries on skills, projects, and career choices.

Impact and Feedback

The session was **highly interactive** and well-received. Students found the workshop both **motivating and practical**, with immediate relevance to their career aspirations.

A large number of students personally approached **Ms. Jahnavi Somaraju** after the session, seeking **guidance on projects they were building** to enhance their employability. This strong response reflected both the **relevance of the session** and the **speaker's dedication**.

Participants praised the workshop as **eye-opening, inspiring, and industry-aligned**, highlighting the speaker's ability to connect academic learning with real-world opportunities.

Conclusion

The workshop on *Career Blueprint: Navigating Skills, Experience and Opportunities* successfully provided final year students with a **clear roadmap for career success**. The session, led by **Ms. Jahnavi Somaraju, Assistant Professor, Department of AI & DS**, empowered students to pursue certifications, set focused goals, and enhance their projects, thereby preparing them to transition into professional careers with confidence.
