About the Speaker

Ms. Jahnavi Somaraju is an accomplished academic and professional known for her expertise in Artificial Intelligence, Data Science, and Product Strategy. She has been the **Valedictorian** of both her Bachelor's and Master's degrees from JNTUA and holds **over 200 certifications** across diverse domains, including prestigious programs like **Harvard CS50, Infosys AI certifications**, and various credentials from **IBM, HCL**, and other global platforms.

She is widely recognized for her ability to bridge **academia with industry readiness**, guiding students toward **global opportunities** and helping them develop the confidence and competence required in the modern professional landscape.

Session Overview

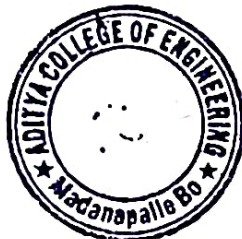

The session titled **“Unlock Your Voice: Speak with Confidence and Charm”** aimed to empower participants with the tools and mindset needed to communicate effectively and express themselves with poise and authenticity.

Ms. Somaraju began the session by emphasizing the importance of **self-awareness** and **voice projection** in personal and professional communication. She shared practical techniques for improving vocal clarity, tone modulation, and stage presence. Participants were encouraged to engage in short speaking exercises to overcome stage fright and enhance articulation.

Through interactive discussions and real-world examples, Ms. Somaraju highlighted how **confidence in communication** directly influences leadership, teamwork, and personal growth. She also provided insights on aligning one's verbal and non-verbal communication to project charm and credibility.

Key Takeaways

- Strategies to overcome **fear of public speaking**.
