## REPORT ON

### “APPRECIATION TO MERIT STUDENTS”

The Department of CSE (Artificial Intelligence), Aditya College of Engineering, Madanapalle, takes immense pride in announcing the outstanding academic performance of its students in the III B.Tech. I Semester Examinations conducted during November-2025. The consistent efforts of both students and faculty have once again resulted in remarkable academic achievements, reflecting the department's commitment to excellence in teaching, learning, and mentoring.

In the said examinations, three students from the Department of CSE (AI) secured merit marks. Meenhaz V (Roll No: 238P1A3128) emerged as the top performer with an excellent percentage of 88%. She was closely followed by Humera Fathima S (238P1A3118), who secured 87% and K. Nageswari (238P1A3139) with 86.11%. Their achievements are a testament to their dedication, perseverance, and disciplined approach towards academics.

Excellence. The certificates were presented by the esteemed Principal of Aditya College of Engineering, **Dr. Rayudu Peyyala**, in the presence of **Dr. M. Roshini**, Professor & Head, Department of CSE (AI), along with Senior Faculty Members of the Department. The ceremony aimed to motivate students to strive for higher academic goals and to foster a culture of merit and excellence within the institution.

During the interaction, **Dr. Rayudu Peyyala** congratulated the Merit Students for their exceptional performance and applauded their hard work and determination. He emphasized the importance of consistency, discipline, and conceptual clarity in achieving academic success. The Principal also appreciated the Department of CSE (AI) for maintaining high academic standards and for providing continuous academic support, guidance, and mentoring to students. He encouraged the students to continue their pursuit of excellence and to utilize their knowledge and skills for innovation and societal development.

**Dr. M. Roshini**, Head of the Department, expressed his pride in the achievements of the students and acknowledged the collective efforts of the faculty members in guiding and mentoring the students effectively. She highlighted that such achievements not only bring laurels to the department but also inspire other students to perform better. The senior faculty members also extended their congratulations and motivated the students to sustain their performance in future semesters.

The Department of CSE (AI) remains committed to nurturing talent, promoting academic excellence, and creating a conducive learning environment. The success of these merit students serves as a motivating example and reinforces the department's vision of producing competent, ethical, and industry-ready professionals in the field of Artificial Intelligence.
