## 2. About the Event

As part of the Ethnic Day Celebrations 2026 held on January 26, 2026 – Republic Day – Aditya College of Engineering organized the traditional Marble Game competition at the Shuttle Court. The event was conducted to promote cultural heritage, revive traditional Indian games, and provide students an opportunity to reconnect with their roots while celebrating the spirit of national pride.

The Marble Game (also known as 'Goli' or 'Kancha' in Telugu culture) is a classic traditional game that was widely popular in rural and semi-urban India. The game involves flicking marbles with the thumb to hit and collect target marbles placed within a drawn circle. This event was organized as part of the ECE department's efforts to preserve indigenous games and promote cultural awareness among engineering students.

## 3. Objectives

- To revive and promote traditional Indian games among the student community.
- To encourage student participation, teamwork, and healthy competition.
- To create an inclusive environment where students from diverse backgrounds can participate and celebrate cultural heritage together.

## 4. Event Proceedings

The event commenced at 11:00 AM at the Shuttle Court under the guidance and supervision of the faculty coordinators. Students dressed in traditional ethnic attire participated enthusiastically in the competition. The event saw active participation from both male and female students across multiple departments.

Dr. J. Pradeep, along with Mr. C. Manoj Kumar and Mr. Rammurthy, explained the rules of the Marble Game to the participants before the competition began. Students gathered in a circle around the marked playing area, taking turns to flick marbles and compete for the highest score.

The atmosphere was joyous and lively with students cheering for their fellow participants. The event captured the essence of Ethnic Day by combining cultural celebration with the spirit of Republic Day.
