Department Event: 01

Title of the Event: **Orientation Session for 2nd Years**

Date of the Event: 01-07-26

Department Organized: CSE(AI)

Venue: Conference Hall (Room No.:114)

Resource Person: Dr. M. Roshini, Professor and Head

Target Group: II CSE(AI) (A & B Sections)

Photograph(s)

- The Department of Computer Science and Engineering (Artificial Intelligence) organized an **Orientation Session** for II Year CSE(AI) students on **01-07-2026** at the **Conference Hall (Room No. 114)**. The session was conducted by **Dr. M. Roshini, Professor and Head, Department of CSE(AI)**. The program aimed to familiarize students with the academic curriculum, departmental expectations, learning resources, and opportunities for skill development. Students of **II CSE(AI) Sections A & B** actively participated and gained valuable guidance for their academic and professional growth. The session concluded with an interactive discussion, encouraging students to pursue excellence through discipline, innovation, and continuous learning.

Department Event: 02

Title of the Event: Roadmap for Careers (By Valor Community)

Date of the Event: 07-07-26

Department Organized: CSE (AI)

Duration: 12 AM

Venue: Classroom (Room No.:302)

Target Group: II B.Tech (B Sec)

Photograph(s)

- The Department of Computer Science and Engineering (Artificial Intelligence) organized a session titled "**Roadmap for Careers**" by the **Valor Community** on **07-07-2026** for **II B.Tech CSE(AI) – B Section** students. The session was conducted in **Classroom 302** by **IV CSE(AI) students**, focusing on guiding students toward emerging career opportunities in technology and industry. Participants gained valuable insights into career planning, skill development, higher education options, and industry expectations. The interactive session encouraged students to set clear career goals and prepare strategically for future opportunities. The program proved to be highly informative and beneficial in helping students make well-informed career decisions.

Department Event: 03

Title of the Event: Quiz in C language

Date of the Event: 10-07-26

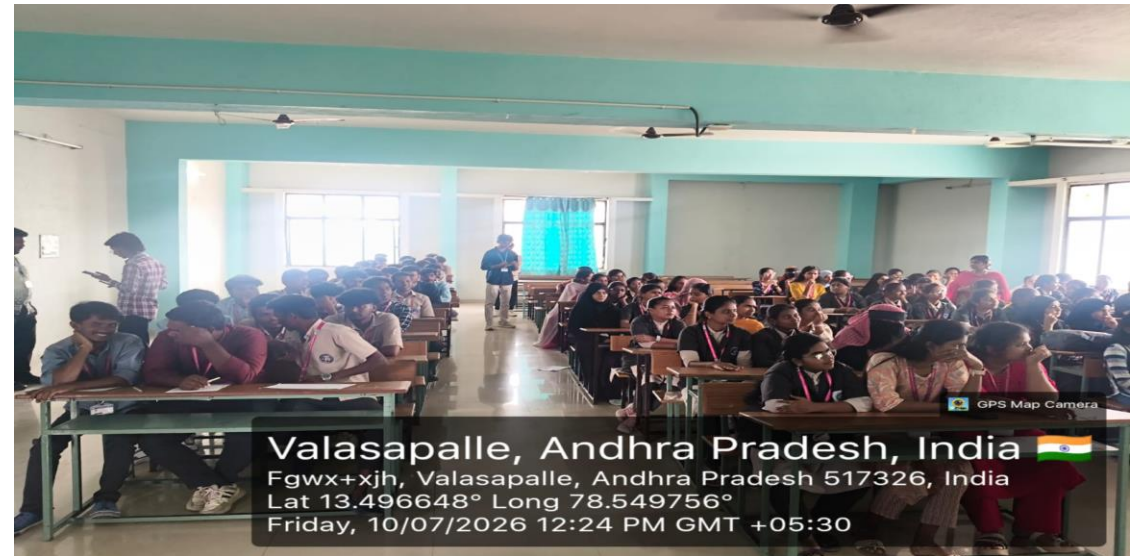

Department Organized: CSE(AI)

Duration: 12 PM

Venue: Seminar Hall (Room No. 405)

Target Group: II year CSE(AI) A&B Sections

Photograph(s)

- The Department of Computer Science and Engineering (Artificial Intelligence) organized a **C Language Quiz** on **10-07-2026** in the **Seminar Hall (Room No. 405)** for **II Year CSE(AI) A & B Sections**. The quiz was designed to assess students' understanding of fundamental C programming concepts while promoting logical thinking and problem-solving skills. Students enthusiastically participated in the competition, demonstrating their programming knowledge and analytical abilities. The event fostered a healthy spirit of learning and competition among the participants. Overall, the quiz served as an effective platform to strengthen students' programming fundamentals and encourage academic excellence.

Department Event: 04

Title of the Event: Hackathon

Date of the Event: 18-07-26

Department Organized: CSE(AI) in association with Valor Student Community

Duration: 10 AM

Venue: Seminar Hall (Room No. 405)

Target Group: II year CSE(AI) A&B Sections, III CSE(AI) & IV CSE(AI)

Photograph(s)

- The Department of Computer Science and Engineering (Artificial Intelligence), in association with the **Valor Student Community**, organized a **Hackathon 2k26** on **18-07-2026** in the **Seminar Hall (Room No. 405)**. The event brought together students from **II, III, and IV Year CSE(AI)** to collaborate on innovative solutions to real-world challenges. Participants showcased their creativity, technical expertise, teamwork, and problem-solving abilities while developing impactful project ideas. Dr. Rayudu Peyyala, Principal appreciated that the hackathon provided an excellent platform for experiential learning, innovation, and peer collaboration in a competitive environment. The event was judged by experienced professor's Dr. P. Gangadhara Reddy, Dr. K. Sreelalitha and Mrs. S. Reddy Mubaraq. The event concluded with distribution of Cash Prizes and Certificates to top 3 projects. HoD appreciated the students for their enthusiastic participation.
