Report on

Title of the Event / Program	3rd INTERNATIONAL CONFERENCE ON CONTEMPORARY ISSUES IN SCIENCE, ENGINEERING & TECHNOLOGY (ICCISSET) 2K26
Date of event	05.06.2026 & 06.06.2026
Time	10:00 AM
Target Audience	Research Scholars, Faculty members, UG and PG students from different organizations.
No. of participants	180
Chief guest & Key note Speaker	Dr. Roshan K. Srivastav, Project Director, IIT Tirupati Navavishkar I-Hub Foundation, Technology Innovation Hub at IIT Tirupati.
Organized by	Research & Development Cell, ACEM
Faculties In-charge	1. Dr. P. Gangadhara Reddy, Convener, ICCISSET 2K26 2. Dr. M. Veeresh Babu, Co-ordinator, ICCISSET 2K26 3. Mr. B. Subramanyam, Co-ordinator, ICCISSET 2K26 4. Mr.Y.Arun Kumar Reddy, Co-ordinator, ICCISSET 2K26
Venue	Seminar Hall-114.
Key note Speaker Day2	Dr. Panem Charanarur, Assistant Professor, Department of Cyber Security and Digital Forensics National Forensic Sciences University, Goa Campus
Description of the Program	The Research & Development Cell, Aditya College of Engineering (ACEM), Madanapalle, successfully organized the Inaugural Function of the 3rd International Conference on Contemporary Issues in Science, Engineering & Technology (ICCISSET) 2K26 on 5th June 2026 at 10:00 AM in Seminar Hall 114. The conference was organized with the objective of providing a common platform for academicians, researchers, industry experts, and students to exchange innovative ideas and discuss contemporary developments in the fields of Science, Engineering, and Technology. The inaugural session commenced with a warm welcome address by Dr. S. Ramalinga Reddy, Director, ACEM, who greeted the distinguished guests, faculty members, research scholars, students, and industry delegates. In his address, he emphasized the importance of research, innovation, and interdisciplinary

collaboration in addressing global challenges and fostering sustainable technological advancements.

Dr. P. Gangadhara Reddy, Convener, ICCISET-2K26, introduced the conference and highlighted its objectives, scope, and significance. He elaborated on the conference themes and the opportunities it provides for researchers to present their work, share knowledge, and establish professional collaborations at both national and international levels.

The Presidential Address was delivered by Dr. Rayudu Peyyala, Principal, ACEM. He stressed the importance of quality research and innovation in higher education and encouraged participants to engage actively in technical discussions and knowledge-sharing activities throughout the conference.

The inaugural function was graced by the Chief Guest, Dr. Roshan K. Srivastav, Project Director, IIT Tirupati Navavishkar I-Hub Foundation, Technology Innovation Hub at IIT Tirupati. In his Keynote Address, he discussed emerging trends in science, engineering, and technology and highlighted the role of innovation hubs, startups, and industry-academia partnerships in driving technological progress. He motivated researchers and students to pursue impactful research that contributes to societal development and industrial growth.

The event was attended by the college management, including Sri R. Rama Mohan Reddy, Secretary & Correspondent, ACEM and Sri M. Nagamalla Reddy, President, ACEM, along with faculty members, research scholars, students, and delegates from various institutions and industries.

The inaugural session concluded with the Vote of Thanks proposed by Mrs. N. Tejaswini, Coordinator, ICCISET 2K26. She expressed her sincere gratitude to the Chief Guest, management, dignitaries, organizing committee members, faculty, participants, and volunteers for their valuable support and contribution toward the successful conduct of the conference.

The inaugural function marked the beginning of two days of technical sessions, paper presentations, keynote lectures, and scholarly interactions, making ICCISET 2K26 a significant

platform for academic excellence, research collaboration, and technological innovation.

As part of the second day proceedings of ICCISET 2K26, an invited expert lecture was delivered by Dr. Panem Charanarur, Assistant Professor, Department of Cyber Security and Digital Forensic Electronics and Communication Engineering.

Dr. Charanarur delivered an insightful presentation on the topic "Ethical Considerations in Artificial Intelligence." During his session, he discussed the rapid advancements in Artificial Intelligence and emphasized the importance of ensuring that AI technologies are developed and deployed responsibly. He highlighted key ethical challenges such as data privacy, algorithmic bias, transparency, accountability, fairness, and the societal impact of AI-driven decision-making systems.

The resource person elaborated on the need for ethical frameworks and regulatory policies to guide the development of trustworthy AI systems. He also presented several real-world examples demonstrating how ethical concerns can influence the adoption and effectiveness of AI applications across healthcare, education, finance, cybersecurity, and public administration.

The session was highly interactive, with faculty members, research scholars, and students actively participating in discussions and raising questions regarding AI governance, responsible innovation, and future research opportunities in ethical AI. The resource person provided valuable insights into emerging trends and encouraged participants to contribute toward developing human-centric and socially responsible AI solutions.

The lecture was well received by the audience and significantly enhanced the academic value of the conference by creating awareness about the ethical dimensions of Artificial Intelligence and its implications for society.

The two-day 3rd International Conference on Contemporary Issues in Science, Engineering & Technology (ICCISET) 2K26 concluded successfully with enthusiastic participation from academicians, researchers, industry experts, and students. The conference provided an excellent platform for

sharing research findings, exchanging innovative ideas, fostering collaborations, and discussing emerging challenges and opportunities in science, engineering, and technology.

The keynote address by **Dr. Roshan K. Srivastav** and the expert lecture by **Dr. Panem Charanarur** enriched the conference proceedings and inspired participants to pursue impactful research and innovation. The event achieved its objectives and contributed significantly to the promotion of academic excellence and research culture at Aditya College of Engineering, Madanapalle.

Third International Conference on Contemporary Issues in Science, Engineering & Technology (ICCISSET) 2K26

Themes for Papers

- Artificial Intelligence & Data Science
- Internet of Things (IoT) & Smart Systems
- Cyber Security & Ethical Hacking
- Blockchain Technology & Cryptography
- Cloud Computing
- Natural Language Processing (NLP)
- Wireless Sensor Networks
- 5G & 6G Wireless Communication
- Embedded Systems & VLSI Design
- Signal Processing & Image Processing
- Antenna Design & RF Communication
- AI & ML Applications in ECG
- Autonomous Systems & Robotics
- Smart Grids & Renewable Energy Systems
- Power Electronics & Its Applications
- Heat & Mass Transfer
- Electric Vehicles & Battery Technology
- Advanced Materials & Nanotechnology
- Additive Manufacturing
- Microfluidics
- Solid Waste Management
- Innovative Construction Products
- Robotics & Automation
- Smart Cities & Urban Planning
- Sustainable Construction & Green Buildings
- Earthquake Resistant Structures
- AI & ML in Civil Engineering

Registration Fee

- UGC/PG Students: Rs. 250/-
- Academics / Research Scholars: Rs. 750/-
- Industry delegates: Rs. 500/-
- Publication Charges (per paper): Rs. 2000/-

Important Dates

- Paper submission deadline: 25.04.2026
- Notification of Acceptance: 15.05.2026
- Last date of Payment: 05.05.2026

Payment Mode

Registration Fee: Rs. 1000/-
