Academic Year	2026-2027
Venue	College Library
Organized by	Library Committee & College Library
Resource Person	Dr. Rayudu Peyyala, Principal
Coordinator	D. Aruna, Librarian
Participants	Students and Library Users
Nature of Activity	Awareness / User Education Programme

Introduction

The College Library organized a **Library Resource Awareness and User Education Session** on **21-07-2026** with the objective of creating awareness among students about the effective utilization of various library resources and services.

The session was conducted to familiarize students with the available **print and digital learning resources**, library facilities, reference services, and other academic resources. The programme emphasized the importance of developing regular reading habits and utilizing authentic academic resources for classroom learning, assignments, examinations, project work, research activities, and overall academic development.

Objectives of the Programme

The major objectives of the Library Resource Awareness / User Education Session were:

1. To create awareness among students about the resources and services available in the College Library.
2. To familiarize students with the effective use of print and digital resources.
3. To encourage students to make regular use of library facilities.
4. To explain the importance of textbooks, reference books, journals, magazines and other learning materials.
5. To create awareness about electronic resources and digital learning facilities.
6. To guide students in identifying and accessing relevant academic information.
7. To encourage students to use library resources for assignments, seminars and project work.
8. To develop reading habits and promote self-learning among students.
9. To motivate students towards continuous learning and lifelong learning.
10. To enhance the overall academic utilization of the College Library.

Interaction with Students

An important feature of the programme was the interaction between **Dr. Rayudu Peyyala, Principal**, and the students.

Students were encouraged to:

- Visit the Library regularly.
- Read books beyond their prescribed syllabus.
- Refer to technical journals and magazines.
- Utilize digital resources for academic purposes.
- Make use of previous question papers for examination preparation.
- Refer to project reports for understanding project planning and implementation.
- Consult Library staff whenever they require assistance in locating information.

The interaction helped students understand how effective utilization of Library resources can contribute to their academic performance and professional development.

Declaration

This is to certify that the **Library Resource Awareness / User Education Session** was organized by the **College Library and Library Committee, Aditya College of Engineering, Madanapalle**, on **21-07-2026** for creating awareness among students regarding effective utilization of Library resources and services.
